Taliesin's 9yo Autobiography

MY AUTOBIOGRAPHY DEC. 10, 1986

My life began on Jan, 19 1977 in Santa Monica. For two weeks I had no name, because my Mom and Dad could not decide on a name. I lived in a small, red house with a large backyard. I also had two cats.

From the time I was very little I had gotten a name. It was Taliesin Jaffe Axelrod Armstrong. Don't ask me how I got that name, I can't even pronounce it. My mother was acting in a Hallmark commercial, and they needed a baby for it. I was picked. It was my first time in a commercial.

At this time of my life I am in fourth grade. I have one very strong, cruel brother name Alexander, who is two years old. Well, at least he doesn't try to be cruel. We live in a large, pinkish, white house. I have no pets.

Ten years from now I will be married and have two kids and live in the Malibu castle, (if it isn't turned into a museum.)
